Dear Madam or Sir:

On March 8, 2010, NobelTel, LLC electronically filed a request for a name change on its CPCN as an interexchange carrier authorized in Florida by the Public Service Commission. Your office responded with a confirmation that this filing was duly received.

Since that time, however, it does not appear that this matter has been included on the Commission's docket listings and NobelTel has received no further communication on this matter.

Can you please provide an update on this matter or advise whether additional documentation or information from NobelTel is required? Your assistance is greatly appreciated.

Very truly yours,

Peter B. Sinclair
