Ann, fyi, both Matilda and I have reviewed the two orders, and there are things that are not the same as the vote sheets. Matilda has brought the issues to staff's attention. However, with regard to the closing of the dockets, staff chose to have the orders the way they were.

This will be the same issue for both Orders in DNs 100155 and 100160.

The first of the suggested new ordering paragraphs is fine; I should have known to include that.

As far as the second suggested ordering paragraph, I don't think we need it. The staff recommendation contemplated that the Commission would approve a new Plan with new Programs, and therefore program standards would have to be filed and approved by staff. Since the Commission decided to just keep the existing Plans/Programs in place, there will be nothing filed by the companies, and nothing for staff to approve. Further, since the programs are already in place, a

protest of this order won't keep them from being effective as they currently are. Given this, I don't see what the paragraph adds to the Order if we add the first of the suggested paragraphs. So, if you can do it, we can change the ordering paragraphs to:

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto. It is further

ORDERED that upon the issuance of a Consummating Order, this docket shall be closed.

I:\2010\100155\Orders\100155.PAA Order Approving Plan.lhd.doc

Good Afternoon Larry,

In regards to this PAA Order.

On pg 8, the Ordering paragraph 5 -- ORDERED that upon the issuance of a Consummating Order, this docket shall be closed.

When checking the Vote Sheet at the bottom of this email, I believe needs to be changed to having 2 paragraphs that follows:

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective upon the issuance of a Consummating Order unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings" attached hereto. It is further

ORDERED that in the event this Order becomes final, if no person whose substantial interests are affected by the proposed agency action issue files a protest within 21 says of the issuance of the Order, a Consummating Order will be issued. If the Commission approves any programs, the programs should become effective on the date of the Consummating Order. If a protest is filed within 21 days of the issuance of the Order, the programs should not be implemented until after the resolution of the protest. However, the docket should remain open for staff's verification that the program standards have been filed by the Utility and approved by staff. When the PAA issues are final and the program standards have been approved, this docket may be closed administratively.

So if you agree with this it would probably be good to place it where Ordering paragraph 5 is.....and

ORDERED that upon the issuance of a Consummating Order, this docket shall be closed.

.....before this last Ordering paragraph

By ORDER of the Florida Public Service Commission this _____ day of _____, _____.

VOTE SHEET DN 05188-11 07/26/11

Issue 3: Should this docket be closed? Recommendation: Yes. If no person whose substantial interests are affected by the proposed agency action issue files a protest within 21 says of the issuance of the Order, a Consummating Order will be

issued. If the Commission approves any programs, the programs should become effective on the date of the Consummating Order. If a protest is filed within 21 days of the issuance of the Order, the programs should not be implemented until after the resolution of the protest. However, the docket should remain open for staff's verification that the program standards have been filed by the Utility and approved by staff. When the P AA issues are final and the program standards have been approved, this docket may be closed administratively. **APPROVED**

If you don't agree with above, that same Ordering paragraph will need some altering about it "docket shall be closed" to something about it being closed administratively. The 1st choices of Ordering paragraph's are more formal, with all the info in it.

Let me know.

Subject: FPL's DSM Plan Recommendation

Katherine,

My client has asked me to contact the Staff and copy all the parties to point out what FPL believes is an error in the Staff Recommendation in Docket No. 100155-EG. The Staff's compilation in the Staff recommendation of kW and kWh savings for FPL's proposed DSM Plan does not include the savings associated with the solar programs mandated by the Commission. FPL believes this must be an oversight, as Staff's quantifications of DSM Plan savings for the other IOUs include the kW and kWh savings from solar programs. Moreover, the savings associated with \$15 million dollars of Commission required expenditures should be reflected as part of the savings associated with FPL's proposed DSM Plan. FPL respectfully requests that Staff check its compilation of savings associated with FPL's proposed DSM Plan and correct the savings values reported in the Staff Recommendation before next Tuesday's Agenda Conference.

Respectfully,

Charles A. Guyton
