**Subject:** FPL's DSM Plan Recommendation

Katherine,

My client has asked me to contact the Staff and copy all the parties to point out what FPL believes is an error in the Staff Recommendation in Docket No. 100155-EG. The Staff's compilation in the Staff recommendation of kW and kWh savings for FPL's proposed DSM Plan does not include the savings associated with the solar programs mandated by the Commission. FPL believes this must be an oversight, as Staff's quantifications of DSM Plan savings for the other IOUs include the kW and kWh savings from solar programs. Moreover, the savings associated with \$15 million dollars of Commission required expenditures should be reflected as part of the savings associated with FPL's proposed DSM Plan. FPL respectfully requests that Staff check its compilation of savings associated with FPL's proposed DSM Plan and correct the savings values reported in the Staff Recommendation before next Tuesday's Agenda Conference.

Respectfully,

Charles A. Guyton
