Re: Logical Telecom, L.P. d/b/a LN Prepaid; IXC Registration Code TK090
Cancellation of Authorization and Withdrawal of Tariff

Dear Sir or Madam:

Please accept for filing Logical Telecom, L.P. d/b/a LN Prepaid's ("Logical Telecom's" or "Company's") request to voluntarily cancel its IXC Registration ("Registration") and cancel its tariff in the state of Florida. Please find enclosed the Company's 2010 Regulatory Assessment Fee Return and accompanying payment necessary to effectuate this request.

Logical Telecom filed its IXC Registration in the state of Florida on August 2, 2006, and received its Registration Code by memo of the Florida Public Service Commission ("PSC") on September 7, 2006 (Docket No. 060535-TI). The Company is a provider of prepaid calling card services, but is no longer offering or providing any intrastate telecommunications services in the state of Florida. Logical Telecom ceased producing and distributing any prepaid calling cards offering intrastate calling capabilities as of January 2009 (*i.e.*, over fifteen months ago).¹ Logical Telecom has had zero intrastate revenues in Florida since February 28, 2010.

Since Logical Telecom is no longer providing any intrastate telecommunications services to any customers in the state of Florida and does not intend to provide such services in the future, the Company respectfully requests to voluntarily cancel its registration and its applicable tariff. Should Logical Telecom wish to provide intrastate telecommunications in the future, it will re-register with the PSC at that time.

¹ The Company continued to provide and allow intrastate calling capabilities for its prepaid calling cards issued prior to January 2009 that were still in the market. However, all such products are now either (a) completely depleted (since the Company does not allow its products to be recharged), or (b) no longer in the market. Consequently, the Company is no longer offering or providing intrastate calling capabilities, and no longer has any customers receiving intrastate service.
