TAMPA ELECTRIC COMPANY'S MOTION FOR EXTENSION OF TESTIMONY DUE DATES

)

Tampa Electric Company ("Tampa Electric" or "the company") moves the Commission for entry of an order extending the due dates for direct testimony and exhibits in the above matter and, as grounds therefor, says:

1. Due to internal workload demands, Tampa Electric is in need of a brief extension of time within which to file its direct testimony and exhibits in the above matter. Set forth below are Tampa Electric's proposed revisions to the current due dates:

	Current	Proposed
Tampa Electric's and Energy 5.0's testimony and exhibits	April 26, 2010	May 5, 2010
Intervenors' testimony and exhibits	May 10, 2010	May 19, 2010
Staff's testimony and exhibits	May 17, 2010	May 24, 2010
Rebuttal testimony and exhibits	May 24, 2010	May 24, 2010

2. Under the foregoing proposal, Tampa Electric, Energy 5.0 and Intervenors would each have nine additional days within which to file their direct testimony, Staff would be afforded seven additional days, and Tampa Electric would waive any additional time to file rebuttal testimony. None of the remaining dates (the dates for prehearing, hearing, etc.) would be changed by the granting of this request.

BOOLHENT NUMBER-DATE

3. Tampa Electric has conferred with Energy 5.0 and Mosaic Fertilizer, LLC and is authorized to advise that neither party objects to the above-requested changes in the due dates for the filing of direct testimony and exhibits.

4. The relief requested herein will be fair to all parties and will have no adverse impact on the conduct of this proceeding.

WHEREFORE, Tampa Electric Company moves the Commission for entry of an order approving the above-proposed modifications to the due dates for direct testimony and exhibits. DATED this $\frac{20}{4}$ day of April 2010.

Respectfully submitted,

OBen 17
