COMMISSION  
CLERK

Dear Mr. Smith:

The Commission is in receipt of your Petition to Intervene. The Pre-Hearing Officer will be ruling on your petition shortly.

In the meantime, I want to let you know, as an intervenor, what to expect. First, you must file a prehearing statement. There are examples on-line. Second, you are required to attend the Prehearing Conference in Tallahassee, unless excused by the Pre-Hearing Officer. Third, if discovery (interrogatories, etc) are propounded on you, you will be expected to respond timely. Finally, you will be required to attend and participate in the hearing in Ocala, including being available for cross-examination and questions.

On April 30, 2010, staff will be conducting an issue identification meeting by telephone. At the teleconference, we will hammer out the wording for the issues on which the Commission will be voting. After we have completed the issues, staff will open up the meeting for the parties to negotiate a resolution to the issues. Notice of this meeting is attached.

If you have any questions, please call me.

Sincerely,

Handwritten signature of Lisa C. Bennett in cursive.
