Per this e-mail, we will return DN 03808-10 to the source.

Howdy,

Relating to the Ten-Year Site Plan, Florida Power & Light also filed a confidentiality request for Document # 03808-10. Would it be possible to return to the company as staff does not require it at this time, without requiring a ruling?

PS - I know the e-mails referenced above relate to a different document #, they're all a component of the Ten-Year Site Plan process.
