 COMMISSION
 CLERK

The subject of this meeting will be the U.S. Department of Energy's Requests for Information¹ (RFI) on Smart Grid privacy and information, and communications needs of electric utilities regarding the Smart Grid. Staff seeks background information on the present treatment of customer information, policies regarding the release of such information to third parties, and how smart grid technologies will impact the handling of customer information. This discussion and information will assist staff in its analysis of the RFIs.

Interested persons may participate telephonically in this meeting. The conference call number will be provided by separate email to those who request the number. If you have any questions about the meeting, please call Lisa Bennett at (850) 413-6230.
