Re: Docket No. 100071-TP; Request for Withdrawal of Petition by dPi
Teleconnect, LLC for Supplemental ETC Authority

Dear Ms. Cole:

On February 5, 2010, dPi Teleconnect, LLC ("dPi") filed its Petition for Supplemental ETC Authority with the Florida Public Service Commission in Docket No. 100071-TP (the "Supplemental Petition"). Subsequent to the filing of the Supplemental Petition, in the course of conducting market research throughout the region, dPi has determined that the Florida market is not a good fit for dPi's wireless business plan at this particular time due to the high penetration level of wireless services by other carriers in the State of Florida.

Therefore, dPi respectfully requests that it be allowed to withdraw its Supplemental Petition without prejudice. dPi wishes to reserve its right to re-file its Supplemental Petition in the future should market opportunities improve in the State of Florida.

Sincerely,

WATKINS LUDLAM WINTER & STENNIS, P.A.
