

## P R O C E E D I N G S

1  
2           **CHAIRMAN ARGENZIANO:** Okay. We're back. And  
3 we'll then move to Issue 9 or -- sorry?

4           **MR. FLETCHER:** Do you want me to do the intro  
5 now for Item 9?

6           **CHAIRPERSON ARGENZIANO:** Yes, I think that  
7 will be great.

8           **MR. FLETCHER:** All right. Commissioners, I'm  
9 Bart Fletcher with Commission staff. Item 9 is  
10 staff's recommendation to approve a revenue -- a  
11 rate increase for Utilities Inc. of Longwood.  
12 Staff has a modification to correct it's annualized  
13 revenue calculation. This modification and all  
14 fallout changes have been provided to the  
15 Commissioners and all parties. The Office of  
16 Public Counsel, the utility are here to address the  
17 Commission. Staff is prepared to answer any  
18 questions you may have.

19           **CHAIRMAN ARGENZIANO:** Thank you. Mr. Beck?

20           **MR. BECK:** Thank you, Madam Chairman.  
21 Charlie Beck, Office of Public Counsel.

22           Commissioners, our position on this issue or  
23 this item is essentially the same as it was in the  
24 previous one. While we have many issues that we  
25 would be prepared to litigate and could, we find

1 that staff's result acceptable and reasonable and  
2 so that if you vote out the staff's -- the PAA as  
3 proposed by staff, we would not protest it. Thank  
4 you.

5 **MR. FRIEDMAN:** Thank you, Madam Chairman.  
6 Commissioners, Martin Friedman, law firm of Rose,  
7 Sundstrom & Bentley. We would just reiterate the  
8 same arguments we had in the prior case on issues 4  
9 and 13.

10 **CHAIRPERSON ARGENZIANO:** Commissioners, any  
11 questions? Commissioner Skop?

12 **COMMISSIONER SKOP:** Thank you, Madam Chair.  
13 Just to staff, in this Item 9, I was looking for  
14 additional legal fees to completion. And maybe I'm  
15 missing it at this point, but I was trying to look  
16 at consistency across the four and I did not see  
17 that particular sheet, unless I've missed it. So  
18 perhaps you can direct me to it.

19 **MR. FLETCHER:** Actually, no, Commissioner.  
20 Staff did not have a table for that when we took no  
21 objection to their estimated legal fees.

22 **COMMISSIONER SKOP:** Okay. Do we know what the  
23 hours were for prepare for and attend agenda  
24 conference?

25 **MR. FLETCHER:** I believe that was

1 seven-and-a-half for this one.

2 **COMMISSIONER SKOP:** It was on this one.

3 **MR. FLETCHER:** Yes, sir.

4 **COMMISSIONER SKOP:** All right. Thank you,  
5 Madam Chair.

6 **CHAIRMAN ARGENZIANO:** Any other questions?  
7 Discussion? Is there a motion?

8 **COMMISSIONER SKOP:** Yes, Madam Chair. With  
9 respect to the disposition of Item 9 pending before  
10 the Commission, I'd move to approve the staff  
11 recommendation for Issues 1 through 26  
12 incorporating the corrections contained within the  
13 oral modifications to Issues 11, 18, 19 and 20.

14 **COMMISSIONER EDGAR:** Second.

15 **CHAIRMAN ARGENZIANO:** All those in favor say  
16 aye.

17 (Unanimous.)

18 **CHAIRMAN ARGENZIANO:** Opposed same sign. As  
19 adopted. You were right, that was a quick one.

20 (Discussion concluded.)
