Re: Docket No. 100266-EI, Florida Power & Light Company's updated 2010-2012 Storm Hardening Plan

Dear Mr. Goorland, Litchfield, and Butler:

The staff is in the process of reviewing the company's updated 2010-2012 Storm Hardening Plan, and our review has generated some questions for which we ask that FPL provide responses.

We ask that you please provide your responses to the attached data request by July 12, 2010. If there are any questions, please contact me at (850) 413-6980.

Sincerely,

For the following questions, please refer to the 2010-2012 Storm Hardening Plan filed May 3, 2010.

1. Please explain why Davies Consulting was retained, the analysis that Davies performed, and the outcome of its analysis.
2. Was Davies Consulting's analysis jointly funded with other IOUs? If so, please indicate who the other IOUs were.
3. On page 6, FPL states that the foundation of FPL's hardening plan was extensive analyses the company conducted either directly, or with the aid of KEMA, Inc.
 - a. Please provide any analyses provided to FPL by KEMA.
 - b. Provide a brief overview of the analyses provided by KEMA, Inc.
 - c. Please describe any other external resources that were used to develop FPL's storm hardening plan.
4. Please list all changes made in the updated storm hardening plan that differ from the currently approved plan.
5. Please provide any work papers or supporting documents pertaining to increases in the costs of obtaining permits.
