RE: Environmental Cost Recovery - Docket 100007-EI

Dear Martha,

As noted in the CASR, the utilities are scheduled to file a preliminary list of new projects proposed for cost recovery by July 9, 2010. At this point, Gulf Power has no new proposed projects to report that would impact the 2011 ECRC factors, other than new proposed projects already discussed in the Company's previous ECRC filings.

Please accept this letter as Gulf's report otherwise due by July 9, 2010. If you have any questions, please contact me.

Very truly yours,

Russell A. Badders  
For the Firm
