Re: Docket No. 100336-EU, Joint petition for approval to extend territorial settlement agreement by Progress Energy Florida, Inc., Tampa Electric Company, and The Mosaic Company.

Dear Mr. Burnett:

By this letter, the Commission staff requests that Progress Energy Florida, Inc., (PEF) provide responses to the following data requests.

1. Please explain or describe how the current Settlement Agreement has operated to the benefit of the general body of ratepayers for Progress Energy Florida, Inc. (PEF) and Tampa Electric Company (TECO).
2. Please explain or describe how extending this Settlement Agreement for an additional five years will be a benefit to the general body of ratepayers for PEF and TECO.

4. In Order No. PSC-05-0934-PAA-EU, issued September 21, 2005, approving the current Settlement Agreement, the parties asked that the following language be included in the Order:

However, the Commission is satisfied that the procedures and pricing mechanism set forth in paragraph 5 to be used in addressing issues raised by future service to Mosaic Mobile Facilities are sufficiently clear and specific to avoid the exercise of undue discretion by the Parties and are in the public interest. The Commission will review each resolution when filed and
