Re: Docket No. 100336-EU, Joint petition for approval to extend territorial settlement agreement by Progress Energy Florida, Inc., Tampa Electric Company, and The Mosaic Company.

Dear Ms. Kaufman and Mr. Moyle:

By this letter, the Commission staff requests that The Mosaic Company (Mosaic), provide responses to the following data requests.

1. Absent extending this current Settlement Agreement, please state and explain under which rate schedule(s) would Mosaic Company (Mosaic) take service from PEF and/or TECO.
2. In Order No. PSC-05-0934-PAA-EU, issued September 21, 2005, approving the current Settlement Agreement, the parties asked that the following language be included in the Order:

The Commission recognizes that the Parties may, of necessity, implement the resolution of future situations concerning electric service to Mosaic's Mobile Facilities, as contemplated in paragraph 4 of the Settlement Agreement, in advance of the Parties submitting such resolutions to the Commission for its approval. However, the Commission is satisfied that the procedures and pricing mechanism set forth in paragraph 5 to be used in addressing issues raised by future service to Mosaic Mobile Facilities are sufficiently clear and specific to avoid the exercise of undue discretion by the Parties and are in the public interest. The Commission will review each resolution when filed and approve or take other appropriate action in response thereto, consistent with its statutory authority and as part of its ongoing, active supervision of this settlement and the application and implementation of territorial agreements.
