RE: Docket #100038-WS

Dear Ann:

Enclosed is a copy of the Sunny Shores Water Co. Tariff Sheet No. 15.1. At this time, we would like to get this passed through so we can start the billing of this maintenance program to our customers for a savings to them. This will help better satisfy Manatee county Resolution R-87-125.

We are requesting at this time to change our current tariff to accommodate the annual Backflow Inspection charge to our customers. We will divide this charge into quarterly payments for this will help financially to most of our customers. We are only billing for the charge of each individual cost with no profit to us.

Sincerely,

Jack E. Mason II
President/Owner
