CUSTOMER NOTICE

ISSUED: August 5, 2010

On November 18, 2009, Utilities, Inc. of Pennbrooke (the "Utility"), completed its application to the Florida Public Service Commission (the "Commission") for increased water and wastewater service rates, in which it requested a permanent increase for its water system in Lake County of 74.70% and an increase for its wastewater system in Lake County of 55.29%.

By Proposed Agency Action Order No. PSC-10-0400-P AA-WS ("PAA Order"), issued June 18, 2010, the Commission approved a rate increase of 15.37% for water service and 16.2% for wastewater service. In addition, the Commission approved revised miscellaneous service charges and non-sufficient funds check charges. These rates and charges were designed to allow the Utility the opportunity to recover its reasonable and prudent costs for providing service, and a reasonable rate of return on its investment in facilities necessary to provide such water and wastewater service. The PAA Order was not protested within the protest period, and became final by Order No. PSC-10-0448-CO-WS, issued July 13, 2010.

The increased rates and charges are effective for service on or after August 10, 2010.

The rates prior to filing, the Commission-approved water and wastewater rates, and approved revised miscellaneous service charges are attached to this customer notice.

This notice was prepared by the Utility and approved by the Commission Staff for distribution by the Utility to its customers.

If you have any questions about your bill, please contact the Utility at (800) 272-1919.

Sincerely,

Utilities, Inc. of Pennbrooke
