RE: Clarification of the Record

The above-referenced Document Nos. reflect descriptions for these identified exhibits from the hearing held on August 24-27, 2010, in Tallahassee, Florida, in Docket No. 100009-EI.

The record reflects that these documents were originally filed as confidential. After further review, it was determined at the hearing that the contents were not confidential. These hearing exhibits have, therefore, been assigned document number 07530-10 (see Part2), from which they are viewable and printable.
