**REQUEST OF SEBRING GAS SYSTEM, INC. FOR

Sebring Gas System, Inc. ("Sebring") by and through its undersigned attorney, respectfully requests an extension of time to file the Petition, and Direct Testimony supporting the Company's proposed conservation cost recovery factors for the period January 2011 through December 2011. In support thereof, Sebring states:

1. The exact name of the Company and the address of its principal business office is

Sebring, Florida 33870

2. The name and address of the person authorized to receive notices and communications with respect to this docket for the Company is:

3. Order No. PSC-10-0120-PCO-GU, issued February 26, 2010, established, the schedule for this docket including the date for Petitions and Testimony regarding the actual/estimated true-up and projection filing for the upcoming year and Sebring has attempted to prepare and file testimony and exhibits pursuant to the schedule. However, Sebring has utilized a consultant to assist in the preparation of its schedules in previous filings and has now made other

arrangements. The change has resulted in unexpected delays in competing the schedules accurately and Sebring requests a two (2) day extension to the close of business September 15, 2010, to file its petition and schedules.

4. Counsel has advised the parties of this request and Peoples Gas, Florida Public Utilities, Chesapeake Utilities, FPUC/Indiantown Gas Division and Florida City Gas have indicated no objection.

For the foregoing reasons, Sebring Gas System requests the Prehearing Officer to grant the Request and allow Sebring to file its Petition and Testimony by September 15, 2010.

Respectfully submitted this 13th day of September, 2010.
