Subject: FW: Prog mod question...

Good morning, Paul,

After further investigation, we note that there is nothing in Docket 100174-TP requesting any name change from the company. I have been advised that it's rather late to add new things to the docket since it was opened on 4/6/10. Please contact the company and have them file a request for name change, and we will open a new docket for the name change when the request is filed. For now, we will be changing the docket title back to it's original state:

Request of Matrix Telecom, Inc. for waiver of Rule 25-4.118, FAC, Local, Local Toll or Toll Provider Selection regarding a transaction where Matrix will acquire substantially all of the assets and customers of Comtel Telecom Assets LP, and request for cancellation of Comtel Telecom Assets LP's CLEC Certificates No. 5687, 4695, 4699 and IXC Registration Nos. TK025, TK028, and TK029.

Give me a call if you have any questions.
