Re: Petition for Approval of Demand-side Management Plan of Tampa Electric Company; FPSC Docket No. 100159-EG

Dear Ms. Cole:

This will follow up our November 3, 2010 filing of Tampa Electric Company's 2010-2019 Ten Year DSM Plan Modifications. One cell of the data used in making the modifications contained an error that impacted seven of the schedules that accompanied that filing.

Enclosed herewith are the original and fifteen (15) copies each of Bates stamp pages 5, 6, 8, 9, 12, 15 and 18 of those schedules, each marked "Revised November 12, 2010," correcting the input error. We would appreciate your distributing these revised schedules to the recipients of the original filing so that they may be substituted in place of the corresponding pages in the original.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.
