Re: ATX Licensing, Inc. (Utility Company ID T1085) Discontinuance of Interexchange Telecommunications Services and Withdrawal of Associated Interexchange Services Tariff

Dear Ms. Cole:

On behalf of ATX Licensing, Inc. ("ATX"), please be advised that ATX intends to discontinue the offering of interexchange telecommunications services within the State of Florida effective December 31, 2010.

ATX was granted a Certificate of Public Convenience and Necessity to provide interexchange telecommunications services in Docket No. 920563-TI, August 6, 1992. ATX respectfully requests that the Commission cancel this Certificate as of December 31, 2010. ATX also requests the withdrawal of ATX Tariff FL P.S.C. No. 1 applicable to interexchange telecommunications services on the same date.

ATX presently has no interexchange services customers in Florida; accordingly, there are no customers upon whom notice of cessation of service may be served. Furthermore, ATX has satisfied its annual regulatory assessment fee for 2010 and is current with all reports and other filings required by the Commission.

For the Commission's convenience, an original and two (2) copies of this notice are enclosed. An extra copy of this letter is also enclosed. Please date-stamp this "file/stamp" copy and return it in the enclosed self-addressed, stamped envelope.
