Docket No.: 100001-EI
Date filed: December 17, 2010

REQUEST FOR EXTENDED CONFIDENTIAL CLASSIFICATION

GULF POWER COMPANY ["Gulf Power", "Gulf", or the "Company"], by and through its undersigned attorney and pursuant to Rule 25-22.006, Florida Administrative Code, hereby files its request that the Florida Public Service Commission (the "Commission") enter an order granting extended confidential classification for certain documents and information submitted in response to Staff's Third Request for Production of Documents in Docket No. 080001-EI. As grounds for this request, the Company states:

1. On August 22, 2008, Gulf filed a request for confidential classification of information produced in response to question numbers 11 and 12 of Staff's Third Request for Production of Documents (Document No. 07623-08)
2. On June 19, 2009, the Commission entered an order granting Gulf's confidentiality request. See, Order No. PSC-09-0436-CFO-EI.
3. As provided in section 366.093(4), Florida Statutes, and by the Commission's Order, the confidential information will be made public after a period of 18 months unless Gulf or another affected party shows, and the Commission finds, that the confidential information is entitled to continued confidential treatment. The 18-month extension period expires on December 19, 2010.

4. Gulf hereby requests that the Commission enter an order extending the confidential classification of the information contained in Document No. 07623-08 for an additional 18-month period.

5. Document No. 07623-08 addresses Gulf's responses to question numbers 11 and 12 of Staff's Third Request for Production of Documents. Gulf's responses to question numbers 11 and 12 contain a confidential coal supply agreement between Gulf and one of its coal suppliers, as well as correspondence between Gulf and the supplier incorporating certain terms of the contract. The coal supply agreement is still active. Consequently, this information remains confidential for the reasons articulated and Gulf's previous request and Order No. PSC-09-0436-CFO-EI. Specifically, the information constitutes proprietary confidential business information regarding contractual matters which could cause irreparable harm to Gulf Power, the entities with whom it has entered into contracts and most importantly to Gulf's customers if such information were disclosed to the general public. The information is entitled to confidential classification pursuant to section 366.093(3) (d) and (e), Florida Statutes.

6. The information filed pursuant to this Request is intended to be, and is treated as, confidential by Gulf Power and, to this attorney's knowledge, has not been otherwise publicly disclosed.

7. The confidential information is attached as Exhibit "A," to Gulf's initial request for confidential classification and is identified as Document No. 07623-08.

WHEREFORE, Gulf Power Company respectfully requests that the Commission enter an order protecting the information contained in Document No. 07623-08 from public disclosure for an additional period of eighteen (18) months.

Respectfully submitted this 17th day of December, 2010.
