STAFF'S DATA REQUEST NO. 2

Re: Docket No. 090524 -EM - Complaint of Stephen J. Faherty and Glenn Fraser Heran against the City of Vero Beach for unfair electric utility rates and charges.

Dear Mr. Coment:

We are in receipt of the letter and attachments filed on March 15, 2011, as the City of Vero Beach's response to our data requests in the above docket. In reviewing this material, we note that the response to Question No. 8 indicates that the City is unable to provide an accurate comparison of the number of meters to customers for the calendar year 2010 because there are no existing reports that provide this information. However, we note that the City was able to provide the number of customers and meters for 2007 in response to Questions Nos. 4 and 5. Please use the same process that was used to determine the number of customers and meters in 2007 to generate comparable information for 2010.

Please file the original and five copies of the requested information by April 6, 2011, with Ms. Ann Cole, Commission Clerk, Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida, 32399-0850. Please feel free to call me at (850) 413-6187 if you have any questions.

Sincerely,

Handwritten signature of Martha C. Brown in black ink.
