Re: Useppa Island Utilities Co., Inc.
Docket No. 110260-WS, Audit Control No. 11-266-4-1
Staff Assisted Rate Case, TYE June 30, 2011

This letter is to request an extension for the Request for Confidential Classification according to Rule 25-22.006, F.A.C. regarding the above audit. I did receive the documents but did not understand the process.

When I worked with Bety Maitre and Kathy Welch I thought that as long as I stamped confidential these documents would not be public knowledge. I misunderstood and when Hyma called to discuss that is when I realized I didn't read the letter thoroughly. This is my first time at placing documents in a confidential status.

I have been working on this since yesterday and I really need more time .Please consider this extension.

Sincerely,

s/Lou Ann West
