

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Fuel and purchased power cost recovery
clause with generating performance incentive
factor.

DOCKET NO. 120001-EI
ORDER NO. PSC-11-0579A-FOF-EI
ISSUED: January 12, 2012

AMENDATORY ORDER

By Order No. PSC-11-0579-FOF-EI, issued December 16, 2011, this Commission granted Progress Energy Florida, Inc.'s (PEF) capacity cost recovery amount for 2012. The 2012 capacity cost recovery factor was calculated using true-up amounts for 2010 and 2011, as well as projections for the remainder of 2011 and for 2012. At our December 6, 2011 Agenda Conference, we approved our staff's recommendation regarding PEF's capacity cost recovery factors for 2012 which included an over-recovery of \$5,983,484 for PEF's 2011 capacity cost recovery. Due to a scrivener's error, the final order did not reflect the correct 2011 capacity cost over-recovery amount for PEF as approved by us from our staff's recommendation. The order incorrectly reflected \$14,684,019 as PEF's 2011 capacity cost over-recovery amount. The order did correctly reflect the total amount of recovery to be collected in 2012, and so this scrivener's error will not affect PEF's 2012 capacity cost recovery factor.

Accordingly, Order No. PSC-11-0579-FOF-EI is hereby corrected to accurately reflect PEF's 2011 capacity cost over-recovery amount of \$5,983,484 that we approved on December 6, 2011.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that Order No. PSC-11-0579-FOF-EI is corrected to accurately reflect Progress Energy Florida, Inc.'s 2011 capacity cost over-recovery amount of \$5,983,484 as approved on December 6, 2011. It is further

ORDERED that Order No. PSC-11-0579-FOF-EI is affirmed in all other respects.
