RE: Closure of Docket No. 110100-TX - Compliance investigation of North County Communications Corporation for apparent failure to accurately disclose information on application.

On April 13, 2011, Docket No. 110100-TX was established to address North County Communications Corporation's (North County) failure to accurately disclose information on its CLEC application. On October 10, 2011, North County submitted a proposed settlement offer wherein the company offered to make a voluntary contribution in the amount of \$2,500 to resolve the matter.

By Order No. PSC-12-0025-PAA-TX, issued January 13, 2012, the Commission accepted North County's settlement offer and ordered the company to submit the \$2,500 payment to the Commission within fourteen (14) calendar days after the issuance of the Consummating Order for deposit into the General Revenue Fund. The Commission further ordered that this docket shall be closed administratively upon receipt of the settlement payment. The order became final and effective on February 7, 2012, upon issuance of Consummating Order No. PSC-12- 0054 -CO-TX.

On January 24, 2012, North County submitted its settlement payment in the amount of \$2,500. North County has complied with the provisions of the Commission's Orders; therefore, this docket shall be closed administratively.
