**Re: Docket No. 090001-EI - Fuel and purchased power cost recovery clause with generating performance incentive factor; Confidentiality Requests**

Dear Mr. Burnett:

Listed below are some of Progress Energy Florida, Inc.'s 2009 Requests for Confidential Treatment of certain information contained in its 423 forms. The Commission's 423 forms require the utility to submit certain transportation information which Commission staff uses to evaluate the reasonableness of fuel costs in the fuel and cost recovery docket. Staff intends to retain the information from the 423 forms to develop a data base. The Requests listed below are more than two years old. There have not been orders issued for these requests.

Because these 423s are more than two years old, can we declassify the information in them? I would appreciate a response by March 16, 2012, if possible.

Sincerely,

Lisa C. Bennett  
Senior Attorney
