Issue 2: Should this docket be closed?

Recommendation: Yes. If the Commission approves staff's recommendation to approve the proposed standard offer contract and tariff filed by FPL, and no person whose substantial interests are affected requests a hearing to address this matter, then Docket No. 110312-EQ should be closed upon issuance of a consummating order, and the standard offer contract and tariff filed by FPL should be effective as of the date of the Commission's vote. If a protest is filed within 21 days of the issuance of the Commission's Order, the tariff should remain in effect pending resolution of the protest. Potential signatories to the standard offer contract should be aware that FPL's tariff and standard offer contract may be subject to a request for hearing, and if a hearing is held, may subsequently be revised.
