**Re: FPUC Revised Conservation Program Standards**

Dear Ms. Martin:

We have reviewed the revised Program Standards for the Florida Public Utilities Company (FPUC) Demand-Side Management Plan submitted to the Commission via a letter from Mr. Myron Rollins of Black & Veatch dated March 16, 2012.

Since all the changes are consistent with Order No. PSC-10-0678-PAA-EG, issued November 12, 2010, approving FPUC's DSM Plan, the revised Program Standards are acceptable, and are therefore administratively approved.

Thank you, and if you have any further needs or questions regarding this matter, please contact myself or Traci Matthews of my staff and we will be more than happy to assist you.

Sincerely,

Tom Ballinger

Supervisor, Energy Resource Planning Section
