COMMISSION
CLERK

On April 24, 2012, Commissioner Balbis met with Paul Lewis (Progress Energy) and Charles Rehwinkel (Office of Public Counsel). Mr. Lewis and Mr. Rehwinkel requested the meeting in order to brief Commissioner Balbis on the status of post-stipulation meetings between the parties, with Mr. Rehwinkel indicating that he was representing all intervening parties involved with the stipulation. Mr. Rehwinkel stated that discussions are now beginning on the process of organizing information requests and the quarterly meetings specified in the stipulation and settlement. No meetings have yet been officially scheduled, but the process has begun.

It was agreed that the status conferences already scheduled in the CR3 docket would be a good tool to keep Commissioners involved and the public informed.
