Re: Docket 120090-TX

Ms. Cole,

I received yet another copy of this docket. I had believed, based on prior conversation and correspondence with staff, that we had satisfied 100% of the requirements needed to ensure that this docket would be relieved.

As previously noted in conversation and correspondence, Advanced Communications Southeast, Inc. is a viable and active ongoing business. It is our intention to continue to maintain certifications and registrations as required to serve customers in the state of Florida.

Changes were recently made to our account information to ensure we would receive information and notices related to required filings in a timely fashion. The official mail address is:

Advanced Communications Southeast, Inc.
P.O. Box 98
Holly Springs, NC 27540

With a copy to:

Advanced Communications Southeast, Inc.
P.O. Box 1209
Duluth, GA 30096

I am on the telephone right now with Dorothy Menasco who is reviewing the updated contact information you have on file for our company.

I can't understand why we are still on the docket when we have fulfilled all the requirements. Ms. Menasco is also unsure as to why we are on the docket.

Ms. Menasco is advising me that a card was sent to 2428 Larch Pine Drive in Duluth, rather than being delivered to 3428 Larch Pine Drive (our alternate alternative address), or our primary address which is P.O. Box 98, Holly Springs, NC 27540.

Ms. Menasco noted that our name had a star beside it in the listings, which indicated we had paid a penalty plus late fee and interest, but that we had not made the original payment.

With Ms. Tony Earnhart, being out, she transferred me to Bob Casey, who looked up our information concerning our original payment, and located it. Mr. Casey advised me he would determine how to handle this situation so that our docket was relieved based on complete compliance.

Thank you for your assistance in this matter. You can of course, contact me at your convenience at 919-662-2662.
