This document does not need to be placed in either 110000-OT or 120000-OT. Thanks.

Good morning, Bart. Per your request, we will copy DN 06098-12 to Docket 120076-SU. Since it was filed in Docket 110000-OT, it should really have been entered in Docket 120000-OT instead of 110000-OT. We will move it from Docket 110000-OT to Docket 120000-OT when we copy it to Docket 120076-SU. If, on the other hand it should not be placed in undocketed matters at all, please advise, and we will remove it from Docket 110000-OT and 120000-OT completely. Thank you for your help!
