Jeff, will make corrections in regards to your emails.

Matilda, the "amendment" should not be capitalized.

Robyn,

The underlying ICA for this amendment is a CMRS agreement, and not an IURC as your transmittal letter indicates. Please file a corrected transmittal letter in this docket no later than the close of business on October 30, 2012.

Matilda, can you correct the docket title for this amendment to "... approval of Amendment to CMRS interconnection agreement..." and also remove the "unbundling, resale, and collocation" elements?

Thanks.
