**Re: Docket No. 120240-WU, Application for approval of transfer of water Certificate No. 518-W in Lake County from CWS Communities LP (Haselton Village) to MHC HV FL Utility Systems, L.L.C.**

Dear Mr. Cooke:

Staff has reviewed MHC HV FL Utility Systems, L.L.C.'s (Buyer) November 29, 2012 deficiency response and needs additional information with respect to Utility plant amounts. Although the Utility provided a breakdown of the additions to the Utility's water plant, it did not submit a copy of all invoices and other support documentation if the plant addition has been completed or is in process. Please file your response with the Office of Commission Clerk on or before January 18, 2013.

Should you have any questions concerning the information in this letter, please contact Michael Lawson at (850) 413-6076 for legal questions, Robert Simpson at (850) 413-7001 for engineering questions, or Monica Brown at (850) 413-6838 for all other questions.

Sincerely,
