Utilities Company, by Peninsula Pipeline)
Company, Inc.) FILED: December 20, 2012

**PENINSULA PIPELINE COMPANY'S REQUEST FOR CONFIDENTIAL
CLASSIFICATION**

Peninsula Pipeline Company ("Peninsula" or "Company") by and through its undersigned counsel, pursuant to Section 366.093, Florida Statutes, and consistent with Rule 25-22.006(4), Florida Administrative Code, hereby submits its Request for Confidential Classification for information contained in Attachment A (Transportation Services Agreement) to its Petition for Approval of Transportation Service Agreement with Florida Public Utilities Company ("FPUC")(cross-referenced Document No. 08150-12), originally filed on December 14, 2012, with a Notice of Intent. In support thereof, Peninsula hereby states:

1. Peninsula seeks confidential classification of the highlighted rates and terms in the Agreement, which represent contractual information that both Peninsula and FPUC treat as proprietary confidential business information consistent with the definition of that term in Section 366.093, Florida Statutes.

2. The information for which Peninsula seeks confidential classification is information that the Company and FPUC both treat as confidential, and that meets the definition of "proprietary confidential business information" as set forth in Section 366.093(3), Florida Statutes, which provides:

(3) Proprietary confidential business information means information, regardless of form or characteristics, which is owned or controlled by the person or company, is intended to be and is treated by the person or company as private in that the disclosure of the information would cause harm to the ratepayers or the person's or company's business operations, and has not been

disclosed unless disclosed pursuant to a statutory provision, an order of a court or administrative body, or private agreement that provides that the information will not be released to the public. Proprietary confidential business information includes, but is not limited to:

- (a) Trade secrets.
- (b) Internal auditing controls and reports of internal auditors.
- (c) Security measures, systems, or procedures.
- (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.
- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.
- (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities.

3. Specifically, Peninsula seeks confidential classification of the highlighted information in Exhibit A to the Firm Transportation Service Agreement, at p. 7, as well as on p. 2 of the Firm Transportation Service Application. The subject information is set forth and referenced as follows:

- Data in Column identified as “MDTQ, in Dekatherms, excluding Fuel Retention”, on page 7 of Exhibit A and on page 2 of the Service Application
- Data associated with line identified as: “Total MDTQ (Dekatherms), page 7 only
- Data associated with line identified as: “Fuel Retention Percentage”, page 7 only
- Data associated with and in the first line of section titled: “Monthly Reservation Charge”, page 7 only
- Rate associated with column/line identified as: “Unauthorized Use Rate (In addition to Monthly Reservation Charge)”, page 7 only

Release of the referenced information as a public record would harm both Peninsula and FPUC’s business operations and ratepayers by impairing the Companies’ respective abilities to

effectively negotiate for goods and services. As such, Peninsula requests that the Commission protect this information consistent with Rule 25-22.006, Florida Administrative Code.

4. Included with this Request is a highlighted copy of the Transportation Service Agreement reflecting the confidential information. Also enclosed are two redacted copies of the Agreement.

5. Peninsula asks that confidential classification be granted for a period of at least 18 months. Should the Commission no longer find that it needs to retain the information, Peninsula respectfully requests that the confidential information be returned to the Company.

WHEREFORE, Peninsula respectfully requests that the highlighted information contained in its Transportation Service Agreement with Florida Public Utilities (cross-referenced Document No. 08150-12) be classified as "proprietary confidential business information," and thus, exempt from Section 119.07, Florida Statutes.

RESPECTFULLY SUBMITTED this 20th day of December, 2012.
