Good Morning Toni,

Looking at your req to establish dkt form on 120320-TS (attached above) on the first page it reflects Cert No. **8635**, which in CMS is BTEL, Inc. TX883. In the paperwork it does have the correct docket cancelling Cert No. **8476** for NTC that you want to cancel. You do have the correct company code listed on the form as TS213.

If you'd like with this email, I can correct the title of this docket to the following:

Request for cancellation of Certificate of Necessity No. 8476 by Shentel Converged Services, Inc. d/b/a NTC Communications, effective December 20, 2012.

Please advise.

Good morning Matilda, the following new dockets opened last week need to have some correction and/or addition made:

dkt. 120318-EI - needs to have the Company Code added to the utility field;

dkt. 120320-TS - needs to have the Certificate number changed in the title to 8476. The one listed in the title belongs to Company Code TX883, BTEL, Inc. Looks like Toni listed the wrong certificate, the cover letter indicates 8476, which is correct. Double check me on this. Thanks, N
