The second part of that e-mail - correcting the name in the list of utilities - can be disregarded. I was looking at an earlier record.

Matilda, please change the docket title to include the full, certificated name of the CLEC - US LEC of Florida, LLC d/b/a PAETEC Business Services - and in the list of utilities, if you can, please change the name from US LEC of Florida Inc. to the certificated name as well.

Let me know if you have any questions.
