STAFF'S THIRD DATA REQUEST

Re: Docket Number 120313-GU - Petition for approval of transportation service agreement with Florida Public Utilities Company, by Peninsula Pipeline Company, Inc.

Dear Ms. Beth Keating:

By this letter, the Commission staff requests that Florida Public Utilities Company (FPUC or utility) provide responses to the following data requests.

1. Please provide any FERC filing, or any other documents, that support the assertion that FGT has been attempting to sell its small diameter laterals.
2. (a) Please provide FPUC's benefit cost analysis of PPC owning and operating the Riviera Lateral versus FPUC owning and operating the lateral.

(b) Please provide any documents or work papers that support your response to 2(a).
3. (a) Please provide FPUC's benefit cost analysis of purchasing service from PPC versus the costs FPUC would incur to construct a new lateral or upgrade its existing systems.

(b) Please provide any documents or work papers that support your response to 3(a).
4. Does FPUC's transportation service agreement with FGT change with PPC providing transportation service over the Riviera Lateral? If so, how. If not, why not.
5. (a) Please explain how pressure on the Riviera Lateral will be increased and what the benefits are of increasing the pressure on the lateral.
