In re: Application for staff-assisted rate case in
Brevard County by TKCB.

DOCKET NO. 120078-SU
ORDER NO. PSC-13-0146-CFO-SU
ISSUED: April 3, 2013

ORDER GRANTING TKCB, INC.'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION
(DOCUMENT NO. 04803-12 [X-REF 04687-12 AND 05052-12])

On July 16, 2012, pursuant to section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, TKCB, Inc. (TKCB) filed a request for confidential classification of certain materials provided pursuant to staff's Audit Control No. 12-128-2-1, Document No. 04803-12 (x-ref 04687-12 and 05052-12) are currently held by the Commission's Office of the Commission Clerk as confidential pending resolution of TKCB's request for confidential classification. TKCB asserts that the confidential information in the documents is intended to be proprietary, is treated as proprietary, and has not been publicly disclosed. TKCB requests that the Commission grant confidential classification for the documents for a period of 18 months from the date of the issuance of this Order, pursuant to Section 366.093(4), Florida Statutes.

Section 366.093(1), Florida Statutes, provides that records that the Commission has found to contain proprietary confidential business information shall be kept confidential and shall be exempt from Chapter 119, Florida Statutes, Florida's Public Records Act. Section 366.093(3), Florida Statutes, defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), Florida Statutes, provides that proprietary confidential business information includes:

* * *

- (a) Trade secrets.
- (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods and services on favorable terms.
- (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

TKCB asserts that the information for which it seeks confidential status consists of trade secret information which includes contract terms and values; and information related to competitive business interests. TKCB contends that the information for which it is requesting confidential classification is entitled to that classification pursuant to Section 366.093(3)(a), (d), and (e), Florida Statutes, as proprietary confidential business information, the disclosure of

which would impair the company's ability to contract for the sale of goods and services on favorable terms or cause harm to its ratepayers.

TKCB requests confidential classification for the information listed in the following table:

WORKPAPER	PAGE(S)	LINE(S)	TYPE OF INFORMATION
11-1	1	1, 2,3, & 4	(a), (d), (e)
62-1	1-21	All fields (columns) containing dollar values other than 0 (zero) All fields containing social security numbers	(a), (e)
62-2	1-27	All fields (columns) containing dollar values other than 0 (zero) All fields containing social security numbers	(a), (e)

Upon review, it appears that the above-referenced information satisfies the criteria set forth in Section 366.093(3)(a), (d), and (e), Florida Statutes. The information contains trade secrets, contract information and competitive business information, the disclosure of which would impair the company's ability to contract for the sale of goods and services on favorable terms and impair the competitive interests of its customers. Therefore, I grant confidential classification for Document No. 04803-12 (x-ref 04687-12 and 05052-12).

Pursuant to Section 366.093(4), Florida Statutes, the information for which confidential classification is granted herein shall remain protected from disclosure for a period of 18 months from the date of issuance of this order. At the conclusion of the 18 month period, the confidential information will no longer be exempt from Section 119.07(1), Florida Statutes, unless TKCB or another affected person shows, and the Commission finds, that the information continues to contain proprietary confidential business information.

Based on the foregoing, it is

ORDERED by Commissioner Art Graham, as Prehearing Officer, that TKCB's request for confidential classification of portions of Document No. 04803-12 (x-ref 04687-12 and 05052-12) is granted. It is further

ORDERED that the information for which confidential classification has been requested will be granted confidential classification for a period of 18 months from the date of the issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties concerning the expiration of the confidentiality time period.

By ORDER of Commissioner Art Graham, as Prehearing Officer, this 3rd day of April, 2013.
