Re: Docket No. 130004-GU – Natural Gas Conservation Cost Recovery Clause

Dear Ms. Cole:

Please accept for filing the enclosed original and 15 copies of Corrected Page 17 – 18 from Schedule CT-6, which is submitted on behalf of the Florida Division of Chesapeake Utilities Corporation. The corrected schedule page is part of Exhibit CDY-3 of Mr. Curtis Young and was originally submitted on May 2, 2013. The Company, however, recently discovered that the original page 17 included with Exhibit CDY-3 contained an incorrect amount for the Program Fiscal Expenditure. While the correct amount was accurately reflected throughout the rest of the Company's filing and is incorporated in the amounts set forth in the Testimony of Mr. Young and the Company's Petition, the incorrect amount was nevertheless reflected on the actual schedule page. We apologize for any inconvenience this may have caused and ask that this corrected page be included as part of Mr. Young's Exhibit CDY-3.

Thank you for your assistance with this filing. As always, please don't hesitate to let me know if you have any questions whatsoever.

Sincerely,

Beth Keating

PROGRAM TITLE: Conservation Education Program (Continued)

Appliance Replacement Program, Residential Appliance Retention Program, Natural Gas Space Conditioning for Residential Homes Program and the Residential New Construction Program.

Energy Smart Kids Program: This program educates and engages young minds in an in-school setting. The classroom-based program provides poster, classroom activities, gas education booklets, pencils and teaching plans. A "school board" approved curriculum offers teachers a balanced five day lesson plan ending with an in-classroom demonstration. Energy conservation is the main theme of this program.

PROGRAM FISCAL EXPENDITURES: The expenditures for the reporting period of January 1, 2012 through December 31, 2012 were **\$49,651**.
