Re: *Petition for Rate Increase by Tampa Electric Company
FPSC Docket No. 130040-EI*

Dear Ms. Cole:

Enclosed for filing in the captioned docket are the original and fifteen (15) copies of the WCF Hospital Utility Alliance's ("HUA") Supplement to Petition to Intervene ("Supplement"). Because Exhibit A of the Supplement reflects Confidential Information, the instant filing contains only a Public Version of Exhibit A in which such confidential information has been redacted.

HUA is making two separate additional filings today in connection with the instant filing. First, HUA is filing the Confidential Version of Exhibit A, in which the Confidential Information is highlighted, and which should be treated as Confidential. Second, HUA is filing a Request for Confidential Classification and Motion for Temporary Protective Order in order to ensure that the Confidential Information contained in Exhibit A of the Supplement is treated on a confidential basis.

Please acknowledge receipt and filing of the above by stamping the duplicate copy contained herein and returning same in the pre-paid envelope also enclosed. To the extent you require anything further, please feel free to contact the undersigned.

§

Docket No.: 130040-EI

Dated: May 30, 2013

**THE WCF HOSPITAL UTILITY ALLIANCE'S
SUPPLEMENT TO PETITION TO INTERVENE**

Pursuant to Chapter 120, Florida Statutes, and Rules 25-22.039, 28-106.201 and 28-106.205 of the Florida Administrative Code, the WCF Hospital Utility Alliance (“HUA”) hereby files with the Commission supplemental information attached hereto as Exhibit A and respectfully requests that such information be reviewed in conjunction with HUA’s May 10, 2013 Petition to Intervene filed in the captioned proceeding.

As described in the May 10, 2013 Petition to Intervene, HUA is an ad hoc group consisting of regional healthcare providers in west central Florida that receive power from, and pay the rates of, Tampa Electric Company. Exhibit A identifies the individual regional healthcare providers that are members of the WCF Hospital Utility Alliance. Because the membership list contains competitively sensitive information, Exhibit A is only being provided on a confidential basis. As such, the instant filing contains only a Public Version of Exhibit A. HUA is separately filing a Confidential Version of Exhibit A, as well as a Request for Confidential Classification and Motion for Temporary Protective Order regarding Exhibit A.

Respectfully submitted,

Kenneth L. Wiseman
