COMMISSION
CLERK

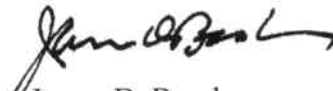

Dear Ms. Cole:

Submitted herewith on a confidential basis is a single corrected Tampa Electric Company response to Office of Public Counsel's First Request for Production of Documents (No. 3), marked revised June 3, 2013, that corrects an error in the earlier response. The initial response to POD No. 3 was submitted on a confidential basis and supported by a Request for Confidential Classification and Motion for Temporary Protective Order. This revised response to POD No. 3 is, likewise, entitled to confidential treatment for the same reasons asserted with respect to the earlier filing. We would appreciate your substituting this revised response in place of the original and returning the original to this writer.

Please acknowledge receipt and filing of the above by stamping the duplicate copy of this letter and returning same to this writer.

Thank you for your assistance in connection with this matter.

Sincerely,

James D. Beasley
