Re: Application for increase in water rates in Franklin County by Water Management Services, Inc., Docket No. 110200-WU

Dear Mr. Brooks:

In accordance with Order No. PSC-13-0197-FOF-WU, issued on May 16, 2013 and assigned DN 02693-13, no refund for interim rates was required. Staff has filed a memorandum dated June 4, 2013 and assigned DN 03058-13, that the interim escrow account may be released and all funds remitted to Water Management Services, Inc. Therefore, as the Commission's designated agent in such matters, I request that you release all interim escrowed funds in the above-referenced account to the Water Management Services, Inc. and close this interim escrow account.

If you have any questions, please feel free to contact me.

Very truly yours,
