Re: Docket No. 130009-EI

Dear Ms. Cole:

Enclosed for filing in the above docket is the original version of the complete Direct Testimony and Exhibits of William R. Jacobs, Jr., Ph.D. The testimony and exhibits contain information that Florida Power & Light Company (FPL) has asserted to be confidential. Pursuant to our agreement with FPL, FPL has submitted its notice of intent to assert confidentiality, and today we are providing the testimony to FPL for its review. After FPL has redacted the material that it claims to be confidential, we will file redacted (public) and unredacted, highlighted (confidential) versions of the testimony in accordance with the Commission's procedures governing confidentiality. OPC reserves its right to challenge FPL's claims of confidentiality at the appropriate time.
