**Re: Docket No. 120209-WS - Application for increase in water and wastewater rates in Marion, Orange, Pasco, Pinellas, and Seminole Counties by Utilities, Inc. of Florida.**

Dear Mr. Friedman:

Staff needs the following information to complete its review of the application filed by Utilities, Inc. of Florida.

1. Please provide comments in regards to the possibility of consolidating wastewater rates for Pasco County.
2. In the MFRs, the Utility provided a single revenue requirement for its Pasco County wastewater systems. However, there are different rates for the two wastewater systems. Please provide a separate revenue requirement for each of the wastewater systems in Pasco County.
3. Based on the Utility's requested revenue requirement, in its MFRs, for Pasco County wastewater, please provide what the Utility believes would be appropriate consolidated rates for wastewater should the Commission choose to implement consolidated rates.

Please submit the above information to the Office of Commission Clerk no later than September 17, 2013. If you have any questions, please contact me by phone at (850) 413-6986 or by e-mail at [kthomps@psc.state.fl.us](mailto:kthomps@psc.state.fl.us).

Sincerely,
