Hi Michael,

There are a number of confidential documents from the 2011 Nuclear Cost Recovery docket for which FPL will need to seek continued confidential treatment by October 13th if they are not returned. The document numbers are 06261-11; 06184-11; 05916-11; 05328-11; 03013-11; and 01384-11. Could staff please consider whether any of these documents can be returned to FPL? Thanks.

Sincerely,
