RE: Docket No. 110257-WS; Application for increase in water and wastewater rates in  
Seminole County by Sanlando Utilities Corporation  
Our File No.: 30057.198

Dear Ms. Cole:

By Commission Order No. PSC-12-0178-CFO-WS the Commission granted confidential classification to certain documents produced by Sanlando Utilities Corporation in connection with Audit Control No. 11-315-4-1. Those documents consisted of salary information. This letter is submitted pursuant to Rule 24-22.006(9)(c), *Florida Administrative Code*, requesting an extension of the duration of the confidential classification.

This information continues to be confidential in that the salary information is still sufficiently current such that the original basis for confidential classification as approved by the Commission is still applicable. The basis for confidential classification is as set forth in the Justification Matrix previously filed in this Docket.

Therefore, Sanlando Utilities Corporation requests this Commission extend the duration of the confidential classification for an additional eighteen (18) months.

Should you have any questions, please do not hesitate to give me a call.

Very truly yours,
