There was an error by BellSouth in the cover letter.

It should have read TCG of South Florida instead of BellSouth.

Your docket title is now correct, but the suffix should be TA.

You can refer to a similar filing they made for TCG in Docket No. 120309-TA.

Thanks!

Bob

**Subject:** Docket 130255

Sakina and Kelley,

New Docket 130255-TX was opened on 10/17/13 by DN 06308-13. We received a call from AT&T Florida/Robin Yant (in Mr. Follensbee's office) advising that a new docket filed on the 17th for AT&T Florida wasn't showing up on the report of new dockets. We found Docket 130255 (which is on the list of new dockets) and note that the cover letter indicates that AT&T Florida is filing the petition for expedited review of growth code denial and thus, that was how the docket was titled in CMS. AT&T Florida was added to the utilities and parties sections in CMS as well. On closer review, it is noted that the petition attached to the cover letter indicates that TCG South Florida is filing the petition for expedited review of NXX-X code denial and does not reference AT&T Florida anywhere in the petition. Therefore, we have updated the title, utilities, and parties information based on the initial filing of that petition. We also updated the suffix to TP because there was a conflict with the company code (TA032 - TCG). We need someone to please review that docket carefully, and advise what information should be changed, deleted, revised, etc. If there are any revisions, please forward them to Shawna Senko and I, by e-mail, with a cc to Hong Wang. Thank you for your help!

Dorothy
