STAFF'S FIRST DATA REQUEST

Re: Docket No. 130000-0T- Undocketed Filings - 2013 FEECA Report Data Collection

Dear Mr. Mathis:

By this letter, the Commission staff requests that Jacksonville Electric Authority (JEA or utility) provide responses to the following data requests.

I. In 2010, the Commission began measuring goals on an annual basis. However, some FEECA utilities did not have their new programs approved until late 2010. Please use the attached table to provide the following:

- Using the former 2004 goals measuring system as a baseline, please provide the cumulative demand and energy savings achieved in 2005 – 2009. All savings should be at the generator.
- For the 2010- 2012 periods, please show annual goal achievements using the current goals established in 2009. All savings reported should be at the generator.

Cumulative Savings Achieved - vs - Cumulative Goals
