Sue,

The reason those people got the e-mail is because they are default staff for ENG. ENG was assigned as one of the OCR divisions according to the Technical Staff Role Designation (OPR and OCR) and Contact Information, which was given to us to follow for opening new dockets, etc. Since ENG remained as one of the OCR divisions, but there was no specific staff when the CASR was filed, CMS automatically sent the e-mail to the ENG default staff.

Per your e-mail below, I've removed ENG as an OCR division from the docket in CMS.

Thanks!

Good morning,

I see that some people from Engineering are receiving emails for this docket. We have no Engineering staff assigned so please remove Paul Vickery, Clayton Lewis, Patti Zellner, and Rick Moses from the automatically generated emails. If you have any questions, please let me know.

Thanks,  
Sue
